## IRRIGATION OF LANDS IN SOME VILLAGES OF HANGAL TALUK.

*Q.*—25. Sri B. R. PATIL (Hangal).—

Will the Government be pleased to state :—

(*a*) whether they will examine the possibility of irrigating the lands of Yaliwal, Aregopp, Hullatti and other villages in Hangal Taluk of Dharwar District and Sidralli in Shiggaon Taluk from the waters flowing from the wasteweir or wasteweir outlet of Daddikeri tank situated near Sanavalli village in Mundgod Taluk, Karwar District ;

(*b*) whether Government intend to take measure to prepare plans and estimates in that behalf ?

*A.*—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

(*a*) The lands of Yaliwal, Aregopp and Hullatti in Hangal Taluk and Sidralli in Shiggaon Taluk are situated at a higher level and therefore they cannot be irrigated under Sanavalli tank either by drawing water through the wasteweir or outlet of the tank.

(*b*) Does not arise in view of reply to (*a*) above.

---

## IRRIGATION DAM PROPOSED TO BE CONSTRUCTED FOR DAWAGIHALLA IN MUNDGOD TALUK.

*Q.*—28. Sri B. R. PATIL (Hangal).—

Will the Government be pleased to state :—

(*a*) the estimated cost, the extent of area to be irrigated and the names of the villages that will be irrigated from the proposed irrigation dam to be constructed for Dawagihalla in Mundgod Taluk, Karwar District ;

(*b*) whether they are aware that the lands of Yaliwal, Aregopp, Hullatti, Dasarathakopp, Gudugudi, Bichawali and Ramateertha villages in Hangal Taluk, Dharwar District, can also be conveniently irrigated by the said irrigation dam ;

(*c*) the action they propose to take in the matter ?

*A.*—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

| | | | |
|---|---|---|---|
| (*a*) | Estimated cost | ... | Rs. 9 lakhs. |
| | Area proposed to be irrigated | ... | 2,500 acres. |
